<b>FEATURES</b>	Neat dawn simulator for those who simply want to wake up feeling brighter.	Dawn simulator to start your day feeling bright and refreshed plus a fading sunset to help you unwind ready for sleep.	Slimline dawn simulator with classic clock-face and AM/FM radio. Option to wake up with the sunrise only or a sunrise and your favourite station.	Choose the sunrise and sunset that works best for you. Extra functions include power failure back-up, low-level display and useful security option (lights at night while you're away).	Top-of-the-range dawn simulator. Range of sounds to help you sleep (e.g. rain, waves) including two sleep meditation programs. Wake up options include dawn chorus and positive words. You can also listen to the radio or your own MP3s via SD card.	Help your child to wake up naturally so they're bright and early for school. Fading light at night settles them down ready for sleep. Versatile bedroom lighting.
