sense and simplicity

## Specifications

### Easy storage

- Cord storage

### Technical Specifications

- Power: 100 W
- Voltage: 220/230 V
- Frequency: 50 Hz
- Cord length: 1.6 m
- Insulation: Class II (double isolation)
- Type of lamps: R95, 100W
- Lifetime of lamp: 750 sessions of 10 minutes

### Dimensions and weight

- Product dimensions: 20.0x12.0x16.0 (HxWxD) cm
- Product weight: 0.5 kg
- F-Box dimensions: 21.1x12.6x19.2 (HxWxD) cm
- F-Box weight: 1 kg
- No. of F-boxes in A-box: 6 pcs
- A-box dimensions: 22.4x26.2x58.8 (HxWxD) cm
- A-Box weight: 3.1 kg
- Qnt. on Euro pallet: 288 pcs

### Logistic data

- CTV-code: 884361401000
- Country of origin: Germany

### Safety

- IEC certified: In line with IEC 60335

### Easy to use

- Adjustability: 0-40 degrees (backwards)

## Product highlights

### Deep penetrating Infrared warmth

*Infrared light has been proven to effectively relieve aches and pains caused by muscular pains and stiff joints. The comfortable warmth created by infrared light penetrates deep into your skin, increasing blood circulation and warming your muscles. As your muscles are soothed, they automatically loosen up and relax. At the same time, the increased blood circulation helps your body get rid of impurities and quickly sends oxygen-rich blood to stressed or aching muscles, bringing effective pain relief.*

### 100 Watt Infrared lamp

*The 100 Watt Philips Infrared lamp has been optimised for relief of pains in areas covering 20x30 cm, such as a shoulder, an elbow, a calf, or the neck and for relief of common colds.*

### Adjustable angle

*The appliance can easily be positioned up to 40 degrees backwards.*

### Cord storage

*The appliance has a cord storage holder at the back of the appliance. Simply wrap the cord around it and it can easily be stored again.*

### Philips - the light expert

*Philips is one of the global leading companies in light, with over 100 years of light experience. Globally Philips already sold more than 15 million of Infrared lamps.*
